AND MORE

The SOLE F65 treadmill offers high performance at an affordable price. The strong, 3.0 HP motor delivers challenging speeds up to 12 mph and inclines up to 15 levels, and can run up to ten programs including targeted cardio training and fat burning programs. The treadmill deck folds to lock safely in place when not in use. Other safety features of the F65 treadmill include a large emergency stop key, start speeds from only 0.5 mph, and a low profile running hood that will not get in the way of your stride. The F65 includes an integrated tablet holder. This allows you to use your smart devices to watch shows or follow your workout routines. Seamlessly listen to music through the Bluetooth 3.0 Audio Speakers from any enabled smart device. Also included is a USB port to maintain the charge on your smart devices while working out.
