Introducing the SOLE B94 Upright Bike – Renowned for its lightweight, durability, ease of use, and space-saving design, the B94 is the perfect exercise companion. Boasting a substantial 20 lbs magnetic flywheel and a supremely comfortable gel seat, this bike offers a smooth and enjoyable workout experience. The 9" large backlit LCD display provides comprehensive program tracking and feedback, while 20 levels of resistance cater to your fitness ambitions. With a robust frame supporting up to 300 lbs, the B94 ensures durability and stability. Stay entertained and motivated with Bluetooth 3.0 speakers, an integrated tablet holder, and a USB charging port. The console offers 10 diverse programs, from challenging hills to heart rate control, making your fitness journey customizable. Conveniently track your progress, stay cool with the integrated fan, and enjoy music from your smart device through the built-in speakers. Take your workouts to the next level with the SOLE B94 – your ideal fitness partner.
