AND MORE

Introducing the SOLE R92 Recumbent Bike, a solid choice for a comfortable and effective workout experience. The SOLE R92 sets up effortlessly anywhere, boasting a generous 9" LCD display to keep you focused on your fitness journey. With features like heart rate monitoring and a variety of exercise programs, this bike accommodates all fitness levels, allowing you to push towards your goals comfortably. Plus, enjoy the convenience of Bluetooth 3.0 speakers, an integrated tablet holder, and a USB charging port. Elevate your workout with the SOLE R92, featuring a 9" backlit console display, a 20 lbs flywheel, 20 levels of resistance, a sturdy frame supporting up to 300 lbs, and a range of programs to suit your needs. Designed with your well-being in mind, the R92 stands out with its patented 2-degree inward foot pedal design, ensuring proper posture and reducing discomfort for those with foot or joint issues. Say goodbye to lower back pain, as the adjustable, padded seat provides exceptional support.
