

Versatile Fitness Companion

RECUMBENT CYCLE

Introducing the SOLE R52 Recumbent Bike—a versatile fitness companion perfect for users of all levels. This user-friendly bike offers a low-impact, joint-friendly workout experience, ideal for beginners, rehabilitation, or intensive training. The console features a 6.5" LCD display with 10 programming options for tailored workouts. Designed with ergonomic comfort in mind, it boasts a horizontally adjustable seat, mesh backrest, and heart rate grips. Sturdy and durable, the R52 supports up to 285 lbs with stability and safety features on various surfaces. Its large backlit console, 22 lbs magnetic flywheel, 24 resistance levels, and Bluetooth heart rate monitoring ensure a seamless fitness journey.
