The SOLE TT8 treadmill offers uncompromising quality for years of use. It performs at the same level as—and is comparable to—commercial models at a higher price point. The TT8 treadmill boasts a twenty-two inch wide running surface and an all-steel reinforced framework rated for users up to 400 lbs. In addition to 15 levels of incline, the TT8 treadmill deck includes 6 levels of decline to mimic a more natural outdoor workout from the comfort of your home. The TT8 includes an integrated tablet holder. This allows you to use your smart devices to watch shows or follow your workout routines. Seamlessly listen to music through the Bluetooth 3.0 Audio Speakers from any enabled smart device. Also included is a USB port to charge your smart devices while working out.
