SOLE+ DATA EXPORTS TO

Smart Tech. Premium Power. Built to Perform.

The SOLE F80 Treadmill redefines high-performance home training with cutting-edge technology and superior engineering. Featuring a vibrant 10.1" touchscreen console, the F80 comes loaded with pre-installed apps, built-in fitness videos, and screen mirroring capabilities, allowing you to stream, train, and stay entertained without missing a step. The wireless charging dock keeps your smart devices powered throughout your session.

Engineered for comfort and durability, the Cushion Flex Whisper Deck reduces joint impact, making it a smart choice for injury prevention and sustained long-term training. The powerful 3.5 HP motor delivers top speeds of 12 mph (20 kph) and offers 15 levels of incline, while 12 template, 1 custom, and 17 pre-set workout programs provide targeted routines for cardio, fat burning, and endurance across all fitness levels.

With direct speed and incline toggles for quick transitions, a folding frame with safety lock, and a low maintenance deck, the F80 combines convenience with top-tier performance. It supports multiple user profiles and provides Garmin connectivity, enabling a feature-rich experience for Garmin wearable users. The SOLE F80 blends smart tech, smooth mechanics, and thoughtful design, perfect for the user who wants commercial performance with immersive digital training tools.
